

## Walk Up Jardine House 2007

A team of five staff members (Eric Man of Business Division, Eric Fung of Medical Affairs, Wing Sum of Information Technology, Max Wong of Physiotherapy Division, Joyce Ngai of Discovery Bay Medical Centre) has represented Quality HealthCare to participate in the “Walk Up Jardine House 2007” event on 25 March 2007. Our team ranks the 6th (out of 20 teams) for “Team Relay – Business Associate” with a record of 4 minutes 36 seconds in completing the 50-floor run and this breaks our last year’s record.
